

ELEGANT TORCH

ELEGANT TORCH

- "Elegant torch Foundation" is a leading national institution that was established in 2012 in Jeddah, located in the western region of the Kingdom of Saudi Arabia. Its goal is to excel in the field of marble, granite, natural stone, and ceramic manufacturing and supply.

ELEGANT TORCH

- Since our inception, our efforts have encompassed meeting the needs of the local market and supplying both governmental and private projects in Jeddah, Makkah, and Taif. We have always been committed to delivering high-quality products characterized by modern designs and new models that reflect the spirit of urban development in the Kingdom of Saudi Arabia.

ELEGANT TORCH

- As a manufacturing and supplying institution, we strive diligently to provide a diverse range of marble and ceramic types, whether domestically sourced or imported from the finest factories around the world. We place significant emphasis on meeting our customers' needs and aim to offer the best solutions that align with their project requirements at competitive prices.

- Elegant torch Foundation is constantly striving for innovation and development in the field of marble, granite, natural stone, and ceramics. We consistently embrace the latest technologies and methodologies in our manufacturing and supply processes. Thanks to our specialized and skilled team, we have the ability to transform ideas and concepts into exceptional and contemporary products.
- Our products stand out with modern designs and new models that align with the trajectory of urban development in the Kingdom of Saudi Arabia. We fully understand that marble, granite, natural stone, and ceramics are crucial elements in transforming spaces into unique and beautiful environments. Therefore, we work diligently to provide a diverse range of patterns, colors, and finishes that cater to various tastes and needs.

ELEGANT TORCH

- We ensure high quality at every step of the production process. We utilize the latest equipment and technologies to guarantee precise finishing and accuracy in cutting and measurements. Additionally, we conduct thorough quality inspections at each stage to ensure that we meet the highest standards and specifications.
